1. The odd/even year determination for the New Year's holiday period is based upon the year of the December 31st date.
2. If the morning following the holiday period happens to be a non-school/day care day or is closed, the children will be returned to the responsible party the following morning at 9:00 a.m. according to normal custody routine.
3. If either party wishes to have a holiday which they are not scheduled to have, they may request the other party in writing for such date. It is the decision of the party who is scheduled for said holiday visitation.
4. Vacations: Each party will inform the other party in writing thirty (30) days prior to any scheduled vacation they wish to take the minor children on. Each vacation shall not be more than fourteen (14) days in length for either party and shall end at 5:00 p.m. on the last day of the designated vacation. After and prior to the vacation period, the normal custody routine will be maintained including weekends.
5. Holiday visitation takes precedence over regular and vacation days with the parties.
